

Manya Harsha, 11 yr old Bengaluru girl bags the title YOUNGEST HUMANITARIAN OF THE YEAR 2021

This Young Sustainable Influencer believes Age is just a number and dreams to paint the earth blue and green with her eco friendly activities.

Bengaluru, Karnataka Jan 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - The 11-year-old, Young Sustainable Influencer from Bengaluru, receives the prestigious HUMANITARIAN EXCELLENCE AWARD 2021, presented by I CAN FOUNDATION, INDIA. Manya Harsha, was honoured as the YOUNGEST HUMANITARIAN of the Year 2021, by the I CAN FOUNDATION, for her outstanding work as an Environmentalist towards

society at a very young age. Manya, since the age of six, has indulged herself in various Eco-friendly and social activities, inspiring young and old in the right spirit.

The Award Ceremony by 'I Can Foundation' was held at Welcome Hotel ITC Dwaraka in New Delhi on 20th December 2021. The founder of the organisation, Gaurav Gautam said, the award show has been done to honour all those people who have contributed to many social works of our country and have tried to eradicate poverty from our country. Many veterans participated in this event and were appreciated for their outstanding contributions.

Earth.org India Network named Manya the 'Rising of India' on this Independence Day. Manya came up with a creative way to create paper and save thousands of trees for free. She is an enthusiastic volunteer at many green initiatives and is recognized by UN-Water for her environmental work.

"I celebrate every day as Earth Day. I believe it's our responsibility to look after our surroundings and nature," - Manya Harsha

Manya Harsha, the Young Author and An ENVIRONMENT INFLUENCER from India, started writing at a very young age of four. Her love for Nature blossomed at the young age of 6 taking up many eco-friendly initiatives. Manya is also an avid reader and very expressive with her pen. Manya Harsha is a young Nature Themed Author, Poet, and Illustrator of Five books. Of late, her Green Innovation of DIY VEGETABLE PEELS PAPER has given a new definition to Waste Management. Manya Harsha, from Bengaluru who celebrated AZADI KA AMRIT MAHOTSAV in a Rightful way. Calling out for the #GREENINDIACLEANINDIA CAMPAIGN, Manya celebrated 75 years of Independence by distributing 75 plant saplings to people from various sectors. From the Civil Police Officers of JP Nagar police station to the Bengaluru Jayanagar division Traffic Police, BMTc Bus Drivers and Conductors at the Sanjay Gandhi Bus Depot 4th T block Jayanagar, the Bengaluru Auto drivers, and the Sustainable Entrepreneurs, Manya was successful in spreading her message of a #GreenIndiaCleanIndia with her saplings and the Tricolor flag with the support of her parents. Wherever she went, she never missed requesting people to switch to Green for a Sustainable Future.

[Manya Harsha, daughter of Harsha BS and Chitrashree Harsha, is a Young author of 5 Nature Themed books, A WORLD RECORD HOLDER, recognised Internationally by EARTH.ORG as the "RISING STAR"](#)
