Get to know Family Physician Dr. Mary Katherine Kolbert, who serves patients in Orchard Park, New York.

New York City, New York Jan 3, 2022 ([Issuewire.com](https://www.issuewire.com)) - Recognized as a caring and compassionate family physician, Dr. Kolbert is affiliated with Buffalo Medical Group, serving the community of Orchard Park, New York. To her, treating people well means treating them with respect, a smile, and taking the time to be fully present in each visit.

"I chose primary care medicine simply because I enjoy people, and what better way to meet people while getting to help them feel better!" expressed the doctor.

Educated in the United States, she completed her medical education and residency in family medicine at the University at Buffalo School of Medicine and Biomedical Sciences.

An active member of the American Academy of Family Physicians, she is board certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

When she is not practicing medicine, Dr. Kolbert enjoys spending time with her children or taking them to one of their activities. Her favorite pastime is walking her dog.
