They are the podcast hosts of [She Rises Studios Podcast](#) and the TV show hosts of ***Becoming An Unstoppable Woman***, as well as Amazon best-selling authors and motivational speakers who travel the world. Hanna and Adriana are the movement creators of [#BAUW - Becoming An Unstoppable Woman](#): The movement is to universally impact women of all ages, in whatever stage of life, to overcome insecurities, adversities, and develop an unstoppable mindset. She Rises Studios educates, celebrates, and empowers women globally.

As the pandemic took hold of our world, Hanna and Adriana saw a need to empower, educate, and celebrate women. They wanted all women to know that they are not alone, as well as provide ways for them to sustain their financial, mental, physical, and emotional health while navigating through unprecedented times. Many of us have never witnessed a global pandemic or learned how to be unstoppable in the face of one. That is how the #BAUW (Becoming An Unstoppable Woman) Movement was born.
