Guntur, Andhra Pradesh Jan 17, 2022 (Issuewire.com) - ReLiva Physiotherapy and Rehab, a leading chain of physiotherapy clinics in India announced a partnership with Aster DM Ramesh Hospital, to offer **specialised physiotherapy treatment to patients in Guntur.**

This partnership envisages ReLiva, the physiotherapy specialist, upgrading the physiotherapy centre at Ramesh Hospital Guntur, a JCI accredited hospital in Andhra Pradesh run by Aster DM Healthcare. This would help bring high-quality physiotherapy services for the residents of Guntur within its premises.

The new partnership is being seen as a **step towards reinforcing Ramesh Hospital's focus to deliver quality treatment with patient experience as the prime focus.** Subodh Gupta, Founder &

CEO of ReLiva Physiotherapy and Rehab says, *"ReLiva is proud to support Ramesh Hospital Guntur as a physiotherapy partner and assist it in offering improved patient care. This partnership would enable high-quality physiotherapy treatment for a multitude of conditions including orthopaedic, cardio-pulmonary, post-operative rehab and neurological disorders for patients of Ramesh Hospital."* ReLiva's team of highly qualified and experienced physiotherapists use "Exercise as medicine" to ensure effective and timely recovery for patients.

ReLiva's physiotherapy services would be available in Ramesh hospital as **OPD, IPD as well as home visit** physiotherapy for patients in Guntur, Andhra Pradesh.
