

Niscka -Online Jewellery Shopping Store in India

BANGLES

Noida, Uttar Pradesh Jan 8, 2022 ([IssueWire.com](https://www.issuewire.com)) - We at Niscka seek to bring about a revolution by being the first [online jewellery store](#) that offers both modern and traditional jewellery. To elevate and maintain the legacy of our Beautiful Traditional Jewellery since India is a country of variety, which means we also have a diversity of Traditional Jewellery, which we have made accessible to everyone in the country at the most affordable prices on the web. People of various ethnicities may now explore traditional jewellery of other cultures through our help, giving them a vivid flavour of the other culture and providing true meaning to our Diverse Culture.

From Us

We guarantee that every product is worth it. We have meticulously built our inventory, offering almost every form of jewellery. But there's more to it than that; all of our jewellery is handpicked. After being creatively crafted and evaluated, Assuring unmatched quality at such a shocking price, it appears to be unachievable.

It is so simple to browse through our whole collection; you can discover a variety of cultures in a matter of minutes and bring home some of the products that fascinate you the most. All of the traditional jewellery is so beautiful that it will complement all of your clothes.

Whatever be the occasion, we have the perfect jewellery for you, from American Diamond sets to oxidised earrings. Simply visit our website and select the one that is handpicked for you.

Who we are

Started on June 5th 2020, By a couple Rakhi and Ishan living in Noida(India). Growing strong currently, our team has 5 hardworking people, working towards providing you with the topmost quality and, with each purchase, we strengthen our family and build trust with every product we deliver. We are not just confined to India, but we also sell internationally. Increasing the accessibility of Indian traditional jewellery all over the world.
