He is best known as the founder and CEO of Service My Car, the automotive service tech company. He was featured in Arabian Business' Top 40 Under 40 list in 2019 and has led his company to win various awards such as SME of the Year in 2018, from Arabian Business.

Life

Ozair Puda was born and educated in the UK. A passionate car enthusiast from a young age, he visited Dubai in August 2017 and witnessed a gap in the region's automotive service industry. With a keen entrepreneurial spirit, he decided to set up a digital car servicing company in the region.

Career

Service My Car

Service My Car is an online car maintenance platform established in the United Arab Emirates in 2018. It operates in all seven emirates of UAE – Abu Dhabi, Dubai, Sharjah, Ajman, Ras-al-Khaimah, Umm Al Quwain, and Fujairah.

The company's website and the app allow customers to book and get their car serviced and repaired on an online platform. Service My Car is the region's first and largest car maintenance platform, with the largest auto service network in the UAE.

History

In 2018, Ozair launched Service My Car with operations underway in Dubai, Sharjah, and the other northern Emirates.

In 2019, his company launched a mobile application for both, Android and iOS devices, enabling customers to make bookings and get service updates on their phones.

In 2020, Service My Car revamped its website and mobile application with new layouts and improved user interfaces. He also oversaw the launch of operations in Abu Dhabi and Al Ain, covering the whole of UAE.

In 2021, after receiving a seed funding of US\$10 million, Ozair announced plans of expanding to Saudi Arabia. Service My Car also launched a mobile car service in that year, allowing customers to get car maintenance done by a mobile mechanic.

In January 2022, Servicemycar.com Launched in the United kingdom and Oman.

Funding

In March 2021, Ozair Puda announced a record-breaking seed funding of US\$10 million led by Bahwan Group. He announced that the new investment would be used to expand into other major GCC regions, such as Saudi Arabia and the Sultanate Of Oman.
