

Pandora Group acquired Designer bags united bv Netherlands

New Jersey, United States Jan 10, 2022 ([Issuewire.com](https://www.issuewire.com)) - Pandora Group bought Designer bags united bv Netherlands last year. COVID has been good to their business because it indeed helped them to increase sales and engage more customers. Pandora bought Designer bags united bv at \$5 million to get the Gucci and YSL bags that are exclusive for the Canadian market.

For them, Pandemic was a great opportunity to buy more as the brand couldn't sell by themselves and it was a great idea to collaborate with other brands during this time. It gives them the opportunity to meet

more clients and open the opportunity to showcase their world-class luxury items.

Pandora Group has been a major Italian brand that exist in 2009 to a brand consortium. Started with private fashion clubs in Australia, the USA, and Europe such as brand alley, private outlet, my habit, and many more.

What's made Pandora Group a leading luxury shop is the authentication of their bags experienced for 20 years. The opportunity for them to buy Designer bags united by help them to offer more variety of designer bags to the customers and attract them to browse in their website.
