

Protegent announces Thailand scheme for its partners

Also offering scheme on activation with It's TASHU scheme

Delhi, India Jan 5, 2022 ([Issuewire.com](https://www.issuewire.com)) - Protegent has launched a Thailand scheme for its partners. Isn't it an exciting opportunity for all the partners to enjoy a staycation in Thailand for 3 nights and 4 days? Are you ready to enjoy an amazing trip to Thailand and experience whoops of joy and excitement? Well, now is the time! Have a look at what the scheme is all about and how you can avail this offer.

What is this scheme all about?

All partners who'll purchase 42 boxes of [Total security software](#) or earn 420 points will win an amazing trip to Thailand for 3 nights and 4 days, wherein,

[Antivirus software](#) carries **7** points

[Complete Security Software](#) carries **9** points, and

[Total Security Software](#) carries **10** points.

On the successful activation of the keys, Unistal is providing a sum of money, depending upon the TASHU scheme, which means that on the activation of Antivirus+ and Antivirus software, the partner will get **Rs. 25**, **Rs. 100** for activation of Total Security Software, and **Rs. 125** for Complete Security Software.

These offers are aggressive and most competitive against the already running current schemes in the market and the last date to avail of this offer is **28th Feb 2022**.

Also, Unistal has planned to organize a trip in April end to all the qualified partners. Apart from this scheme, Unistal has also launched a smaller scheme of 50 points where the partner will receive an Amazon voucher worth Rs. 1,500 and with every box of **Antivirus+**, the partner will get a backpack for free. This offer is valid till **January 31st, 2022**.

Sarita Verma, Marketing Manager at Unistal Systems Pvt. Ltd is excited to announce this scheme and planning to take at least 100 partners to Thailand.

Rajib Banerjee, Vice President, Channel sales has also shown his keen confidence in the successful launch of this scheme. So, avail of the offer now and steal the best deals.
