Greater Noida, Uttar Pradesh Jan 15, 2022 ([Issuewire.com](https://www.issuewire.com)) - One of the finest Fashion & Gifting companies in India, [Reaching Rich](https://www.reachingrich.world) was founded as a way to solve Indian buyers' problem of purchasing sub-standard quality products in the market. What started in 2019 as a mere vision to help consumers get the best with their budget has now become a major B2B seller, serving customers in retail and online stores. Operating from the outskirts of the capital city i.e., in Greater Noida, Reaching Rich's products have pervaded the pan-India leather products market, and have already touched the hearts of those who have tried them.

With there being a plethora of options for such goods as leather wallets, leather belts, cross-body bags, cardholders, etc. in the market, what really makes this SME special and memorable to its customers is its commitment to making its products from 100% Genuine Leather. **“That’s what’s lacking in today’s market, fully authentic, bon fide raw materials”**, says the Founder of Reaching Rich Abdul Shariq. Not only this, but also their personalized packaging sets them a class apart. Each package comes neatly & stylishly wrapped inside a minimalistic wooden gift box, giving the article inside a very classy look. **“We pack our products in a way that customers not only look at these products as fashion accessories but also as a classy and beautiful gift to be given to their loved ones,”** says the Co-founder Hamza Shariq. Keeping up with the newest trends, their catalog contains a variety of products from conventional leather belts to contemporary cross-body bags, the latter of which customers just can’t get enough.

Their latest offering, Card Holders, is also a crowd favorite, as every time they advertise them, they sell out almost instantly. Their sleek design with multiple slots can fit all types of cards, no matter the size. Talk about convenience! What’s the icing on the cake you ask? All this at an extremely budget-friendly price. Speaking of budget-friendly, if you wish to gift your loved ones something special, something that feels close to the heart and doesn’t want to drop your standards on the quality, head over to <https://reachingrich.world/> and make sure to use their super short **Referral Program where they are gifting a Genuine Leather Wallet for FREE on a minimum purchase of Rs 799/-**. Hurry, as this offer is valid till 25th January only!
