New York City, New York Jan 26, 2022 ([IssueWire.com](https://www.issuewire.com)) - A prominent cardiologist, Dr. Gjeka is affiliated with Cardiology Consultants of East Michigan, serving patients in the Flint and Lapeer areas.

Cardiology Consultants of East Michigan is a team of healthcare professionals dedicated to providing the highest quality of cardiovascular care. Their practice incorporates the latest, most advanced, and sophisticated technology, from electronic medical records to CT coronary angiography in order to provide the best possible care and outcomes for their patients.

With a broad educational background, Dr. Gjeka earned his medical degree from the University of Perugia College of Medicine in Italy. After relocating to the United States, he completed his residency in internal medicine at the Wayne State University School of Medicine, followed by a fellowship in cardiovascular disease at St. Joseph Mercy Oakland Hospital, and a fellowship in interventional cardiology at North Shore University Hospital.

An expert in his field, the doctor is board-certified in interventional cardiology, cardiovascular disease, and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Achieving fellowship status, he is a Fellow of the American College of Cardiology (FACC), and a Fellow of the Society of Cardiovascular Angiography and Interventions (FSCAI).

Cardiology is a branch of medicine that deals with disorders of the heart, as well as some parts of the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. Cardiologists are doctors who diagnose, assess, and treat patients with diseases and defects of the heart and blood vessels (the cardiovascular system).
