

Savanna Kidz NFTs: Making A Positive Real-World Impact Through Blockchain Technology

NFT owners can help improve living conditions of residents from a remote Ugandan Village.

Tokyo, Japan Jan 26, 2022 ([Issuewire.com](https://www.issuewire.com)) - *Savanna Kidz NFT seeks to alleviate social injustice around the world one town at a time and is managed by KiHeiTai Estonia, a proud subsidiary of KiHeiTai Japan.*

The main goal of Savanna Kidz NFTs is to raise the quality of life and living standards of impoverished communities with blockchain technology.

It is a pioneering NFT project that will provide tangible and actual effects beyond the usual digital realm of NFT projects.

Savanna Kidz NFT holders accomplish this in part by participating in its Decentralized Autonomous Organization (DAO). They are given a vote towards how funds should be spent for the development of its target community.

The site of its first project is Karungu Village, Uganda. It is located in a rural area, which lacks access to adequate medical services or even a potable water source.

Coordinating with the Savanna Kidz NFT project team is the Faith Angels Ministry. It is a local NGO composed mainly of residents from Karungu Village and is authorized by the Ugandan government for its development.

Together, Savanna Kidz NFT holders and the Faith Angels Ministry will work with developers to ensure that the actual needs of its residents are met. This will initially include a school, a clean water source and livelihood programs among many others.

Those interested to be a part of this project can wait until the Savanna Kidz NFT mint sale is open to the public on February 18, 2022, in the United States (Eastern Standard Time). Each Savanna Kidz NFT will be priced at 0.05 ETH on mint.

Promotions for the project, however, were officially launched last January 17, 2022.

There is an ongoing Whitelist Invitation Campaign to access its Pre-Sales event. Participants must join the Savanna Kidz NFT Discord community before the end of the Whitelist Invitation Campaign period. This will run from January 17, 2022, until February 6, 2022.
