

Scalando Joins Partnership Leaders in the Launch of Industry's First Ecosystem Catalog

Proud Partnership Leaders Ecosystem Partner

New York City, New York Jan 26, 2022 ([Issuewire.com](https://www.issuewire.com)) - Partnership Leaders recently launched their Ecosystem Catalog, featuring **Scalando** as a vetted organization. The group, focused on supporting the growth of partnerships at technology companies, has launched the catalog to help these companies scale their partner programs with powerful tools and service providers in the industry.

Today, there are more than 200 thoroughly vetted organizations included in the Ecosystem Catalog, including industry leader, **Scalando**. All included organizations have been hand-curated to ensure they've reached a baseline level of traction in the market.

Partnerships have proven to be a powerful way for organizations of various sizes to grow and better serve their customers. As companies continue to seek optimal investments to grow their partner programs, **Scalando** with their unique PRM & Ecosystem Management Platform will be powerful resources to leverage.

"We are excited to join forces and partner with Partnership Leaders. Partnership Leaders is on a mission to Empower Partnership Professionals which aligns perfectly with our mission to Unleash the Power of every Partner & Ecosystem Community."

"With our Next-Gen PRM and Ecosystem Platform, we help partnership professionals every day to an easier life and to outperform their growth targets. We are looking forward to a continued strong partnership with Partnership Leaders to the benefit of our customers and all partnership professionals out there"

– Eirik Gyllensten Bjornsen Co-Founder & CEO Scalando.com

Partnership Leaders members will enjoy discounts to specific partner software and service providers, such as **Scalando**.
