

Seasons Of A Prism, A Reflective NFT Artwork

Los Angeles, California Jan 3, 2022 ([IssueWire.com](https://www.issuewire.com)) - [Seasons Of A Prism](#) is a mosaic representing a woman's true story spanning over 60 years. It consists of her digital abstract art and pages from her manuscript, (the entire non-published manuscript included as a downloadable file). Her life is dominated by mental illness, she copes with traumatic experiences and chronic health issues. She was often impacted by paranormal moments, dreams, premonitions, and even witnessing a UFO. She survived being molested, beaten, raped, and bullied. She struggled in her early years with her gender. Her odd experiences and careers. Her marriage to her childhood friend disintegrated as he and his dysfunctional family were destroyed by the weight of their own dark secrets. Her nervous breakdown attempted suicide and rebuilding her life. Her vaccine-related death, after-death experience, resuscitation, and continued health injury. Underscoring all of this is her ultimate surrender to God. Her faith to see her through. Her love and gratitude for Jesus, her savior, and friend.

Downloadable content: The manuscript (US Copyright pending and willing to transfer copyrights to the buyer) is over 59,000 words in Word format, suitable for digital or hard copy publication. In addition, my invite for a phone conversation with me. If the buyer plans to publish the manuscript in hard copy, the author is willing to personally sign a negotiable number of copies. Larger pixel images are available of digital art. The entire offer has the potential to make this offer profitable for the buyer.

ABOUT MINTABLE

Mintable is a next-generation non-fungible token (NFT) marketplace built on the Ethereum & Zilliqa blockchain. Launched in 2018, Mintable has pushed the NFT industry forward by being the first to design gasless minting, batch minting, and royalties, empowering artists and creators to monetize their work via NFTs. Mintable's gas-free minting option allows the everyday person to get involved with NFTs without any prior knowledge in coding or upfront cost of minting an asset – a great way for everyone to get into crypto. In 2021, Mintable announced the backing of a list of high-caliber investors including renowned venture capitalist and television personality, Mark Cuban, Sound Ventures, a venture capital firm founded by and Ashton Kutcher and Guy Oseary, and TIME Ventures, the investment fund for Marc Benioff. To date, Mintable has sold and auctioned works by Grammy-Award-winning artists, 20th-century avant-garde artists, and various high-profile artists and celebrities.
