Sehaaonline got an opportunity with India Innovation Hub to showcase its innovations and products

**Dubai, United Arab Emirates Jan 25, 2022 ([Issuewire.com](https://www.issuewire.com)) - [Sehaaonline](#)**, a Dubai-based company was one of the few who were invited to be a part of the India Innovation Hub at Hotel Taj to showcase their technology, products, and innovation. The event was initiated by the Indian Pavilion to provide a common platform for the company to share its vision and goals with the world.

Sehaaonline is UAE's leading marketplace that specializes in Assisted Aid Technology. The company has always focused on innovation and digitalization in the field of healthcare. Initially, it introduced the brand to provide assisted aid technology to the elderly but slowly it has become a solution for every customer in need of healthcare products.

Sehaaonline's focus is not only to work towards marketing its products but also to collaborate with other healthcare brands to help them achieve the goal of bringing medical supplies to the customers. Working together with the suppliers and partners, the company continuously strives to promote supplier diversity and improve environmental performance. It also believes in bringing innovations to the healthcare world to meet every patient's medical supply needs.

The vision of Dubai's leading healthcare company, Sehaaonline is to bring together a team that shares the same operational, strategic, and financial goals. Combining the experience of leaders and innovations of their associates, Sehaaonline aspires to join hands with the globally leading healthcare brands and steer their business in the GCC. With a self-driven and motivated team, the company aims to become the leading medical marketplace.

Sehaaonline specializes in providing healthcare facilities for home, buy-sell, and rental purposes. It introduced Neoshine which aims to sell a huge range of medical products in the UAE market. The company also launched Sehaasouq where the customers can buy/rent used medical products for easy procurement and cost-effectiveness. In 2022, Sehaaonline-Oman was launched to target Oman's medical marketplace.
