

Seniha Inan, MD, a Neurologist with NeuroCare New York

Get to know Neurologist Dr. Seniha Inan, who serves patients throughout the State of New York.

New York City, New York Jan 20, 2022 ([Issuewire.com](https://www.issuewire.com)) - Dr. Inan is a knowledgeable neurologist proudly looking after the community of New York at NeuroCare New York, seeing patients at their

offices in Manhattan and Forest Hills. Patients trust her because she provides high-quality care that leads to positive and lasting health outcomes. She takes time to listen to their problems and gently guides them through the diverse options and treatment plans they can consider.

Recognized as an experienced provider, the doctor works tirelessly to ensure patients receive the care they need. She communicates with her patients with clarity and ensures they have all the information they need to make the right treatment choices. She is flexible in working with the changing trends in medicine and the healthcare market.

A native of Turkey, Dr. Inan received her medical degree from the Istanbul University School of Medicine. She also completed rigorous training in neurophysiology at Istanbul University, before relocating to the United States and completing a residency in neurology at the SUNY Downstate Medical Center.

Following her formal training, she undertook her fellowship training in neuromuscular disease at Albert Einstein College of Medicine — Montefiore Medical Center. Her sound medical knowledge and passion for her work are commendable and make her a valued asset in her practice.

Neurology is a branch of medicine dealing with disorders of the nervous system. Neurologists are licensed medical specialists who diagnose and treat disorders that affect the brain, spinal cord, nerves, and muscles of patients. They examine a patient's mental and physical status, conduct medical tests and scans, and evaluate the results to diagnose and treat the patient.
