We are committed and dedicated to ensuring our clients enjoy only the best possible services and allow them to live and work in an area that's free from mold and its harmful effects.

Our Services

Our team at [Sunbird Carpet Cleaning Glen Cove](#) is dedicated to eliminating mold problems at their root, which is why we offer two types of services to our clients in Glen Cove: mold inspection and testing and mold remediation.

- **Mold Inspection and Testing**

Mold often grows in dark and damp places with high moisture levels, and these areas may not always be visible or accessible to a property's occupants. However, you can still feel its effects, even if you can't see where it's growing.

That's why our company offers mold inspection and testing as part of our mold remediation services, so we can help our clients determine if they have a mold problem and identify where it's coming from.

Aside from checking the most common places where mold can grow uninterrupted, like your basement or attic, we will also use modern equipment to test and identify the presence of mold in your home or office.

- **Mold Remediation**

Once we have identified that you indeed have a mold problem at your property, the next step would be addressing the issue with our [mold remediation services in Glen Cove](#).

It's generally not recommended to tackle the problem yourself, as mold can regrow quickly if not eliminated entirely.

That's why at Sunbird Carpet Cleaning Glen Cove, we use top-of-the-line technologies for our mold remediation services to ensure we eliminate all the mold at your property and do so for good. Our team also has licensed specialists with years of experience in the field.

That's why, with our help, you can rest easy, knowing the issue has been taken care of.
