Tampa, Florida Jan 26, 2022 ([IssueWire.com](https://www.issuewire.com)) - Join 100s of other manufacturing professionals at TechFest, this year's must-attend manufacturing and automation event. There will be over 25 vendors with live demos and talks on issues that Florida manufacturers are struggling with today. The event is totally free and will include a buffet-style lunch and happy hour.

If you are... Looking to combat labor shortages? Struggling to operate with new production limitations because of COVID? Concerned about your ability to compete with the global marketplace? Interested in reducing your downtime? Then we think TechFest is for you. Stop by to learn how Adams can help you reduce your downtime and increase your competitive advantage in 2022.
