

## **Terri-Ann Gizienski, MD, MPH, a Radiologist with UPMC Magee Women's Hospital**

Get to know Radiologist Dr. Terri-Ann Gizienski, who serves patients in Pittsburgh, Pennsylvania.

New York City, New York Jan 29, 2022 ([IssueWire.com](https://www.issuewire.com)) - A seasoned radiologist, Dr. Gizienski is

the Director of Breast Imaging at UPMC Magee Women's Hospital in Pittsburgh, Pennsylvania. Her clinical interests include Automated Breast Ultrasound for dense breast tissue and extent of disease in newly diagnosed patients, and all types of breast biopsies.

A nationally renowned hospital specializing in women, UPMC Magee Women's Hospital combines a wealth of specialty services with a traditional focus on gynecologic and obstetric services. Long recognized for its services to women, it also offers a wide range of care to men as well.

With a broad educational background, Dr. Gizienski earned her undergraduate degree from Allegheny College and received her Master of Public Health degree from the University of Pittsburgh in 1991. She graduated with her medical degree from the Pennsylvania State College of Medicine in 1994, before completing her residency in radiology and her fellowship in breast imaging at the University of Virginia.

Continuously advancing her efforts, she is an active member of the American College of Radiology and the American Society of Neuroradiology. She has previously been a speaker on all breast imaging modalities including stereotactic biopsies, ultrasound-guided biopsies, MRI biopsies, breast ultrasound, MRI, and tomosynthesis. She has spoken throughout the United States and also in other countries such as Italy, Japan, and Korea.

Active in academia, Dr. Gizienski serves as a Clinical Assistant Professor within the Department of Radiology at the University of Pittsburgh and is an Instructor at the Medical Technology Management Institute.

Radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.

Among her most notable achievements, Dr. Gizienski has been the recipient of the Patients' Choice Award (2018, 2017, 2013, 2012), On-Time Doctor Award (2018, 2017), Compassionate Doctor Recognition (2014, 2013), and Top 10 Doctor - State (2014).
