

The Integrated Diploma in Wealth Management

A job-guaranteed 6-month Diploma program integrating an Industry Internship and Final Placement is known as Integrated Diploma in Wealth Management (IDWM).

New Delhi, Delhi Jan 31, 2022 (Issuewire.com) - A Brief Overview of the Program

During the first three months of the program, the intensive study takes place, followed by on-the-job training and paid internships. Online classes are held during the weekday.

The IDWM program content is strongly focused on Investments, Portfolio Management, and Wealth Management, making students job-ready for work in Banks, Brokerage Houses, Mutual Funds, Investment Agencies, Investment Advisory, Financial Advisors, etc. Designed exclusively in collaboration with Bajaj Capital Ltd, India's most renowned wealth management company.

We designed the program to provide opportunities for young graduates who wish to pursue careers in Wealth Management. This program aims to take the traditional classroom-teaching methods and apply them to the world of Personal Finance & Investments, bringing together academics, self-development, professional development, and real work experiences into one comprehensive learning experience.

Through this program, students will be prepared to work in a number of areas related to Wealth Management. Efforts are being made to develop professionals who are ready to work and have the relevant knowledge to meet the demands of the current market.
