Coach Peggy has been the most requested business coach yet!!

Chicago, Illinois Jan 16, 2022 ([Issuewire.com](https://www.issuewire.com)) - Under The Gunn University is the first and only university dedicated to providing entrepreneurs with all of the tools needed to run their businesses.

UTGU offers consultations, workshops, and guides in various topics such as “how to properly structure your business entity in order to grow”, writing business plans, trademarking, and other ways to protect their I.P., building business credit, grant writing, and becoming a government contractor just to name a few.

In addition, we offer consultations on any aspect of running your company from start up through retirement or sale! Under The Gunn University’s founder Coach Peggy, have more than 17 years of proven results. Coach Peggy is a business development coach who desires to assist many business owners in gaining a better understanding of how business works. Prior to becoming a coach she spent the greater part of her professional life in upper management. As such, her experience at corporate America is also present in her coaching approach. One thing that separates Coach Peggy from other coaches is that she has been on both sides of the table. She’s walked the walk and talked the talk as an entrepreneur for over 20 years and like all great teachers knows what it feels like when you're struggling at your own company - which makes her uniquely qualified to support others through their challenges. Coach Peggy is the president of her own company and often shares stages with well-known members of the coaching industry. She has been featured in Entrepreneur Magazine in the past and won countless awards for excellence. All of her clients have expressed how they feel very special and connected to her.
