**Brandon, Florida Jan 14, 2022 ([Issuewire.com](https://www.issuewire.com))** - World of Humanity – [WOH Token](#) is a cryptocurrency on the Binance Smart Chain that powers a mission to make the world a better place.

World of Humanity believes in one simple principle and that is that all human has rights: the right to be healthy, educated, and protected. We also believe that crypto can be a force for good. If you share our belief, join our global movement to the World of Humanity (WOH). WOH Token donation can make meaningful change for people they need to help around the world, families, and their communities across the world.

### About Word of Humanity

[World of Humanity](#) (WOH) helps people affected by humanitarian crises—including the climate crisis—to survive, recover and rebuild their lives. WOH is now at work in over 40 crisis-affected countries as well as communities throughout Europe and the Americas. We deliver a lasting impact by providing health care, helping children learn, and empowering individuals and communities to become self-reliant, always seeking to address the inequalities facing women and girls.

In most low-income countries, the fundamental parts of health systems have suffered from many years of underinvestment. Help us strengthen the health systems that provide equitable access to HIV

treatment, mental health services, maternity care, malaria prevention, cancer care, and even the COVID-19 vaccine rollout. WOH creating a sustainable source of funding for our life-saving projects.

## **STEP FORWARD SERVE THE HUMANITY REACH OUT AND HELP**

The secret to happiness lies in helping others. Never underestimate the difference you can make in the lives of the poor, the abused, and the helpless. Spread sunshine in their lives no matter what the weather may be.

Donating cryptocurrency is a great way to support The Life You Can Save itself or any of the non-profits we recommend. Our cryptocurrency donations are processed through WOH TOKEN, Blockchain, and you can currently donate a wide variety of cryptocurrencies to help save and improve lives around the world.

### **How can my crypto donation help people in extreme poverty?**

Donating WOH Token is one of the most efficient ways to support your favourite cause. By distributing funding in cryptocurrency, donors, recipients, and the public can track where money is going and how it is being spent, providing an unprecedented level of transparency in the funding and NGO space.

The pooled fund invests in companies that are developing data-driven technologies to benefit children, WOH Token, a start-up in the USA using virtual reality to improve reading outcomes.

There is growing interest in channeling some of the wealth that’s been created in cryptocurrency to good causes, and that extends beyond donations from individuals.

Adding this emerging donation type is a one-step in learning more about how blockchain DeFi and World of Humanity can help us do more to reach the most marginalized people in the world.

The WOH community has a lot of innovative ideas and we want to connect with them more directly. If you have a use case, idea, or want to partner with us, please reach out! If you have any questions or are interested in donating other types of WOH,

send us an email [donation@worldofhumanity.com](mailto:donation@worldofhumanity.com).
