Get to know Internist Dr. Yu-Xuan Dang, who serves patients in Mountain View, California.

New York City, New York Jan 26, 2022 ([IssueWire.com](https://www.issuewire.com)) - A competent internist, Dr. Dang serves the community of Mountain View, California at El Camino Health Primary Care.

The doctors at El Camino Health Primary Care deliver personalized care for patients and their families — from preventive care to managing chronic conditions — and offer access to all the services and expertise available at El Camino Health.

Educated in the United States, Dr. Dang graduated with his medical degree from the Case Western Reserve University School of Medicine, and completed his internship and residency in internal medicine at the University of California School of Medicine.

Passionate about his profession, the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

On a more personal note, Dr. Dang is fluent in both English and Mandarin.
