

4 Best Medical Spas in Great Toronto Area

Toronto Medi-Spa

Toronto, Ontario Feb 4, 2022 (Issuewire.com) - Medi-spas are becoming more and more popular than traditional dermatology clinics these days. Regardless of whether you're hoping to control lack of hydration with a propelled facial or laser your approach to increasingly brilliant skin, a clinical spa, as the name recommends, consolidates clinical outcomes with a side of spoiling. Here are some top medi spas in GTA:

La Belle Beauty Lounge

This award-winning medi-spa bills itself as one of the top medical spas in the Great Toronto area. Their most popular services include whitening injection, mesotherapy, BOTOX, PRP, skincare, Picosure, Ulthera, and more.

Location: 8630 Woodbine Ave A6, Markham

North Medical Spa

This medi-spa is known for stellar services which include advanced facials, injectables, body treatments, and more. The cozy space and the approachable staff will make you feel comfortable from start to finish.

Location: 569 King St. E. Toronto

Website: northmedicalspa.com

Labelle Cosmetic Clinic

This medical spa is located in Yorkville of downtown Toronto, which is well known for its facial services, including deep cleaning pores, exfoliation, facial blackhead extractions, etc. In addition, they are also offering facial products like Alumiers, Skinceuticals, and more.

Location: 26 Bellair St #2N, Toronto

Website: labellecosmetic.ca

SpaMedica

It offers both non-surgical and surgical cosmetic procedures. SpaMedica considers itself as one of the Canadian high-end laser skin care centres. Their expert team, led by plastic surgeon Stephen Mulholland, can target just about any concerns you would have.

Location: 66 Avenue Rd. Toronto

Website: spamedica.com
