

A big trucking event is Going to be organized in Fresno in 2022

Fresno, California Feb 15, 2022 ([Issuewire.com](https://www.issuewire.com)) - The latest technology, face-to-face interaction with the trucking community, and networking with another trucking professional will be the key features of this **great American truck show**. The show is going to be held on 15-16 April 2022 at the Fresno fairground building, Fresno, California.

Fresno, CA- One of the largest American trucking shows is happening in Fresno with the aim to connect trucking professionals and the heavy-duty trucking industry.

The [2022 mid-American trucking show](#) will have a spectacular showcase of the trucks in which the experts of the brands will be on board to discuss the latest features. In addition to this, truckers who like modifying their trucks can also display their trucks in the show and shine event. About 50 plus trucking companies are being invited to the show to exhibit their hiring needs. A dedicated space will be reserved for the recruiters and the job seekers in the event. Companies/brand that wants to stand out from the crowd could opt for sponsorship.

There is free entry for the visitors and eating arrangements at the event. There will be a wide variety of multicultural events in the show to refresh the visitors. Famous bands will perform in the event to entertain the attendees. The two-day event will be full of education, networking events, and entertainment.
