<http://www.amazon.com/dp/B09RGCLZMB> The last few decades have put a drastic in the American lifestyle and society as well. Cumulating all the incidents and their effects on society, the author KevyArgy has come up with his creation titled 'A Changed America. The book is deftly created with years of research and analysis of the American Socio-political structure which is changing rapidly. The book is quite engaging and capable of captivating readers of all age groups with a find blend of nostalgia and refreshment. The book focuses on various aspects of the development of decay of the glory of America. Starting from the terrorist attack in the World Trade Center, Or Barrack Obama; the first Black person to be sworn as the President; everything is a part of it. Written in a simple lingual approach, the book is a part of the citizens of the country that depicts a naked picture of the real society and its drawbacks. He seeks an unbiased community in this world where everybody can enjoy their freedom of being their own without claiming justice. The book is available on Amazon, Barnes and Noble, Google Play, Apples Books, Kobo, and many other platforms to purchase.
