Jaipur, Rajasthan Feb 17, 2022 (Issuewire.com) - A2Z TYPING TUTOR is a typing tutor that uses learning how to type the proper way with speed and accuracy. It suits every typing need. For beginners, the A2Z TYPING TUTOR provides the basic lessons. For the intermediate level, there are also lessons for it as well as for the advanced learner. It also provides typing test for each level to determine the development of each learner. Typing test is available 2,5,10,20,30 minutes user can choose one of them.

Typing lessons include the familiarization with home keys,neighbour keys, small letters, capital letters, and more. This familiarization is done through practice exercises. Exercises are done through typing words and paragraphs. Some prose, poems, and even song lyrics are used for practice exercises. Doing the exercises diligently will greatly improve the typing speed and accuracy.
