

Agnes Virga, MD, a Neurologist with Emerson Neurology Associates

Get to know Neurologist Dr. Agnes Virga, who serves patients in Massachusetts.

New York City, New York Feb 3, 2022 ([IssueWire.com](https://www.issuewire.com)) - A competent neurologist, Dr. Virga is affiliated with Emerson Neurology Associates in Acton, Massachusetts. Her special clinical interests include EMG, neuromuscular diseases, EEG, migraine, and dizziness but she enjoys seeing all neurological conditions.

Emerson Neurology Associates care for a range of neurological issues affecting the brain, spinal cord, nerves, and muscles. Their neurologists provide comprehensive care for a wide range of neuromuscular and neurological disorders.

A native of Hungary, Dr. Virga earned her medical degree from the Debrecen University School of Medicine and was board certified in neurology and psychiatry respectively. After relocating to the United States, she completed her residency in neurology and her fellowship in neuromuscular disease at the University of Massachusetts Medical Center.

As a testament to her success, the doctor is board-certified in neurology by the American Board of Psychiatry and Neurology (ABPN). The ABPN is a not-for-profit corporation dedicated to serving the professions of psychiatry and neurology.

Neurology is a branch of medicine dealing with disorders of the nervous system. Neurologists are licensed medical specialists who diagnose and treat disorders that affect the brain, spinal cord, nerves, and muscles of patients. They examine a patient's mental and physical status, conduct medical tests and scans, and evaluate the results to diagnose and treat the patient.

On a more personal note, Dr. Virga is fluent in English and Hungarian.
