

Amazing New Tool For Influencers Called Pkfy.Me Launched To Great Reviews

Pkfy is the latest influencer marketing tool that has been making quite a buzz already. It allows users tons of cool and amazing features and given them a one stop place wherein they can link their details and get higher traffic to their profiles.

The logo for pkfy.me is displayed in a large, bold, lowercase sans-serif font. The letters are dark gray, and the domain '.me' is slightly smaller than the rest of the text.

New Delhi, Delhi Feb 9, 2022 ([Issuewire.com](https://www.issuewire.com)) - Pkfy.me is the latest universal bio platform that is likely to emerge as one of the strongest and most popular tools for influencers looking to make it big in the world of marketing. This platform allows users to have a microsite for themselves and they can customize the home page, add their favorite text, choose the desired font, color, and even background image. One can add all their social media profiles, social commerce, and affiliate pages, making it easy for brands and audiences to connect seamlessly to them.

[Anshuman Ranjan](#), (cofounder of Pokeify) was quoted as saying, “We wanted to give a really powerful tool in the hands of influencers which helps them bring all their social presence onto a single page and become more discoverable. Apart from having a dedicated site to themselves, this tool also allows them to track detailed audience insights. With this new product in the Pokeify portfolio, we are confident it will be of great value to the influencer community.”

This marketing tool is all set to create a huge frenzy and the flurry of features will definitely add to the excitement of the influencers.

[Rakesh Vachher](#), (cofounder of Pokeify) also added, “We are going to strictly monitor the response and even take in feedback and incorporate it to meet the continuously evolving needs of our users. We see ourselves as a partner to the creator community and aim to enable them in their journey of content marketing, hence our starting plan is a Free-Forever-Plan which comes loaded with lots of features and provides immense value to the user. As part of the launch, we are offering certain premium features for free so that users can take it for a ride and make the most of this limited-time deal.”

With the easy-to-use option to track audience insights, users will be able to actually see the amount of traffic they are getting and understand ways by which they can tap the most of their marketing skills. It is likely that there will be a stream of positive reviews that will fill up for this latest all-in-one tool.

Those who would like to know more about what this company has to offer and the different features of this tool should make it a point to visit www.pkfy.me
