Washroom Supplies

In this generation we all know cleaning chemicals are an important part of our home cleaning & health life, while it is important to washroom & bathroom clean the house, check out some of the mentioned washroom cleaning products that are helpful for your cleaning.

Cleaning Cloth

These are all-purpose clothes made of soft, absorbent material. They are used for wet cleaning and a damp dusting of all surfaces above floor level. They can be also used for washroom cleaning, sanitary fittings, kitchen Cleanings such as bathtubs and washbasins. check for varieties of clothes cleaning products for your home cleaning.

Peoples are well satisfied with the cleaning products service of Regent Clean, it's one of the UK's #1 cleaning cloths online stores. GET BIG DEAL ON BULK ORDER

Toilet Cleaner

Most toilet bowl cleaners contain two contaminants: hydrochloric acid and chlorine bleach. While hydrochloric acid scores only 2-3 on the Environmental Working Group, inorganic acid definitely causes some health concerns. The purpose of hydrochloric acid is to regulate pH levels; It also acts as a buffer.

That's why cleanliness is so important to your health. Our product W8 Super Ocean Breeze Toilet Cleaner kills 99.99% of germs, removes odor, and lime peel for regular use on porcelain and stainless steel Sold in BS EN 1276 Ocean fragrance 750ml. For 1x 750ml. In addition, we have many other [drain cleaner chemical](#) products that are helping for washroom cleaning visits now.
