- Educational Institutions like the SGT group of Institutes, Sharda international school, Colonel's public school, Kamla Hospital are within close proximity.
- 16 KM away from Indira Gandhi International
- Surrounded by multiple residential group housing & township of renowned developers like Ashiana, Vatike, Assotech, ATS, etc

For those people, who look to buy a luxurious home at affordable prices, Orion Realtors brings great opportunities to fulfill their needs. All the properties that Orion Realtors list to its website to sell have been chosen as per their construction quality and property features. The realtors go to every location where properties are constructed with all the modern amenities ensuring a high level of living style and standard. Most of these properties are being developed in the area which can be considered to be the top location in the nearest future. The area will be developed with all required things like shopping areas, children parks, children schools, colleges, universities, and others.

The CEO of the company says “Our project is a great opportunity for the home buyers to book their home at such a competitive price. The main benefit coming out of booking a flat in our project is that you will get all the facilities such as firefighting, security, power back up at a low price which is next to impossible in Gurgaon at such a price.”

About the Company:

The company Breeze builders and developers is in this field for many years and has enormous experience in building a number of projects. This company strives to achieve perfection in whatever

project it starts. Their project [Global Heights 88A Gurgaon](#) Dwarka Expressway is the best property designed for the low and middle-class homebuyers who don't have enough opportunity to buy a home in a plush surrounding such as in Gurgaon. This project is most apposite for the end-users and also for the investors who are looking for selling their property in the near future. Hence if you have a tight budget and are unable to book a flat in Gurgaon, then do not hesitate and rely on this project. For getting all sorts of information related to this project, you can call on the number given on the website.
