

# CDN Solutions Group Announced Its Participation In India Soft Event 2022, New Delhi

IndiaSoft 2022 - International IT Exhibition & Conference

**New Delhi, Delhi Feb 18, 2022 ([Issuewire.com](http://Issuewire.com))** - CDN Solutions Group, one of the leading [custom software development](#) company in India announces its participation in one of India's biggest tech events [IndiaSoft](#), going to be held from 23rd to 25th March 2022 in New Delhi, India. Their booth number is [5.433 & 5.434](#) where you can meet their team of tech experts.

The Electronics and Computer Software Export Promotion Council (ESC) of India organizes this event every year to support the global outreach of Indian Electronics and IT companies and will bring to the forefront multiple organizations under one roof, offering an extraordinary open opportunity to global companies seeking for innovative tech solutions.

[INDIASOFT 2022](#) will moreover have two huge synchronous events showing Electronics Hardware, IT, and Telecoms at one spot. Firstly, India IoT World 2022 show will join countless Indian enterprises offering productive solutions considering the usage of Blockchain, AI, Cloud, and IoT. On the other hand, is the 29th Convergence India event covering Telecoms companies and their products and services.

Talking about the event Mr. Divyesh Shrivastav, who is the Director of [CDN Solutions Group](#) said – “At IndiaSoft Event 2022 we're showcasing services like Web design and development, mobile app development, custom software development, etc that are all based on trending technologies like Blockchain, IoT, AI, and cloud, etc at the event. We're continuously attempting to stay updated on the most recent innovation so we don't become one of those trapped in the mud development organizations. Taking a gander at our site CDN Solutions Group, you see that Blockchain and IoT are the future of tech development.”

He added- one of the chief motivations behind why CDN Solutions Group hangs on a prominent situation in the space of the tech business events like IndiaSoft 2022 is that we hand-pick the "possibilities" as employees. Our employees are working hard to deliver consistent quality solutions for

the last 21 years in the following verticals:

- [Healthcare](#)
- Food and restaurants
- [Start-ups](#)
- Tour and travel
- [Education](#)
