Get to know Obstetrician-Gynecologist Dr. Dianne Chambers, who serves patients in Norman, Oklahoma.

New York City, New York Feb 23, 2022 ([IssueWire.com](https://www.issuewire.com)) - An established obstetrician-gynecologist, Dr. Chambers joined Women's Healthcare of Norman in 2010 after spending 10 years in a successful OB/GYN practice in Denison, Texas. She specializes in routine well women exams, pregnancy and delivery care, hormone management, gynecology-related problems, and surgeries including laser surgery.

Women's Healthcare of Norman has been dedicated to meeting the health needs of women in Norman and surrounding communities since 1995. Their mission is to provide exceptional, personalized women's health care in a warm and welcoming environment, to incorporate modern technology in their practice, and to be at the forefront of knowledge in their field. They are completely patient-focused and strive to exceed their patients' expectations.

A native of Del City, Oklahoma, Dr. Chambers attended Oklahoma State University & University of Oklahoma for undergraduate school and majored in Chemistry. She graduated with her medical degree from the University of Oklahoma College of Medicine in 1996. After completing an internship year in internal medicine at the University of Oklahoma in 1997, she moved to the University of Oklahoma at Tulsa where she completed her residency in obstetrics and gynecology in 2000.

As a testament to her success, the doctor is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology (ABOG). The mission of the ABOG is to define specialty standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

Recognized as a Fellow of the American College of Obstetricians and Gynecologists (ACOG), she is an active member of the Oklahoma State Medical Association.

Obstetrics and gynecology (OB-GYN) is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts).

Happily married, Dr. Chambers and her husband reside in Norman with their children.
