

DJ ROOP - a Disc Jockey, Music Producer and Software Engineer

DJ ROOP explains how he manages to continue his passion at par with his job

kolkata, West bengal Feb 16, 2022 ([Issuewire.com](https://www.issuewire.com)) - **Kaushik Das**, who is more popularly known by his stage name, **DJ ROOP**, is a *Disc Jockey & Music Producer by passion* and a *Computer Science Engineer by profession*. Currently, he is working at a *renowned IT service company* as a *Software Engineer* and he is following his passion at par with his job. He strictly maintains a timetable which helps him give importance to his job as well as his passion. He works for his office during the daytime and after his office hours, he practices music.

Kaushik always had a passion for music from his childhood days. He had initially started his musical journey as an *Indian Classical Singer at the age of 3*. During his starting days, he used to sing the morning prayers every day at his school, representing his school choir group. Later on, his school teachers suggested his parents give him formal music training as he had a very sweet singing voice. Thereafter Kaushik was given regular private singing classes by one of his school teachers. Later on, during his school days, his interest shifted towards electronic music, as he used to find them very energetic and interesting. He always wanted to make that kind of electronic banger music by himself. Hence after completing his primary schooling, he did the basic DJing course from a senior DJ who lived nearby his house. During his remaining school life and his college life, DJ ROOP had achieved a rank in

many DJ Wars and he was also appreciated by many top DJs of the country. He was also offered a 100% scholarship by India's No. 1 DJ Academy, PartyMap. Later on, he had availed of this free professional DJing course at the Kolkata center and he had got a lot of exposure after this. He had also performed in many big events organised around many big cities of India.

During a short time span, DJ ROOP has already performed in a few big events organised by his office colleagues, where he had performed in front of thousands of audience. His performances were loved by many seniors at his office hence he was also promoted officially by the company's official social media handles. This had helped him a lot spread his art form to a major group of corporate audience.
