Manchester, Iowa Feb 6, 2022 ([Issuewire.com](https://www.issuewire.com)) - In this book, Dennis L Binder Jr. describes a detailed understanding of taxpaying systems. And not only that, he presented some questions that need

to be asked in '[DOES GOD LOVE THE WEALTHY MORE THAN THE MIDDLE CLASS? Revised Edition](#): How Taxation effects the Economy & the Importance of Individual Freedom'. These widely and elaborately made economical rules by the government, always made the middle class and the working poor suffer. The huge taxation bills, decreasing revenue everything have put the middle-class at the stake while the rich are getting richer and the poor are getting poorer. And to understand this economical disparity, this book needs to be read.

The author was born on 22nd April 1960 in Ipswich and grew up on the farm of Edmunds Co. near Onaka, South Dakota. His love for his country has triggered him to write this elaborated piece of work. The book offers a new and fresh perspective on the government-made policies that always have an everlasting impact on the working class of society. His writing is logical insights and his passion for economics made this book even more informative. This book covers a wide range of subjects like Taxation, Job creation, climate change immigration, Individual freedom, and much more. From Capitalism to Socialism..... this has been covered it all.

To have a clear view of the economy and its minor technicality, this book is mandatory. Dennis L Binder Jr. has made sure he touches each part of the economy in his book. This book has been narrated in a compelling as well as informative way. The book, 'DOES GOD LOVE THE WEALTHY MORE THAN THE MIDDLE CLASS? Revised Edition: How Taxation effects the Economy & the Importance of Individual Freedom' is completely easy to understand and illustrated with documented facts and everyday examples close to home. The author has also depicted how Illegal Immigration, terrorism, crime etc., has affected society and the economical system. Though he is not working on any more projects at this point, he is sure to produce more informative books like this. This is a revised edition and a more elaborated and informative one as well.
