Dr. Colon is a board-certified plastic surgeon with over 15 years of experience performing facial plastic surgery and reconstructive plastic surgery procedures. As medical director of The Skin Center Medical

Spa located in Columbus, Ohio, he has extensive experience with facial rejuvenation procedures such as blepharoplasty and facelift surgery. He uses advanced surgical techniques and technology to give his patients natural looking results.

As a highly sought-after plastic surgeon in the Columbus area, the doctor is regarded by his patients as a kind and compassionate surgeon with the ability to understand their desires and help fulfill their expectations through his thoughtful surgical artistry.

Grounded in the philosophy that beauty is ageless and youth is a state of mind, The Skin Center Medical Spa is committed to improving its clients' enjoyment of life by offering only the most advanced, clinically proven noninvasive laser treatments and clinically proven anti aging skin treatments. Their team of board-certified cosmetic surgeons, board-certified plastic surgeons, vascular surgeons and nurses have collectively performed nearly 20,000 cosmetic surgery procedures and more than 100,000 medical spa treatments.

Throughout his academic career, Dr. Colon graduated with his medical degree from the Universidad Central del Este in the Dominican Republic. He completed his residency in plastic surgery at Wayne State University. During this time, he worked with some of the country's most prestigious plastic surgery institutions including Manhattan Eye and Ear Hospital, Kresge Eye Institute and Wayne State University.

An active member of the American Society of Plastic Surgeons since 1995, he is board-certified in plastic surgery by the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Among his other roles, Dr. Colon can be found on staff at Riverdale Hospital and Mount Carmel Medical Center.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.
