

FivebalanceUSA looking to expand their NFT holdings

Miami, Florida Feb 8, 2022 ([Issuewire.com](https://www.issuewire.com)) - As the first and only company publicly known to date to use blockchain technology to fight depression and anxiety, FivebalanceUSA is one of a handful of companies listed on Coinmarketcap and trading on exchanges, that has a real product fighting real-world problems. The Company has added to their NFT offerings available for purchase in the Fivebalance mobile app. The app is available as a free download on the Google Play Store. Users that are facing issues with mental health, and want to improve their quality of life are encouraged to download the app and take advantage of the free services the mobile app has to offer.

Stepping further into the NFT realm.

FivebalanceUSA.LLC is set to acquire the parody collection of NFT's on the OpenSea website by the artist known as Wheresthecommonsense. His parody memes take on a lite political tone while still highlighting current trending events. The artist is set to release 2 new collections and his current offerings are set to be acquired by FivebalanceUSA to list in their in-app marketplace. You can find those NFT's at <https://opensea.io/WheresTheCommonSense>

The newly minted NFT by Perry Francis can be found here:
