

## Fortune Magazine names MetLife as a World's Most Admired Company

**Gurgaon, Haryana Feb 7, 2022 ([Issuewire.com](http://Issuewire.com)) - Fortune Magazine names MetLife as a World's Most Admired Company**

Today, MetLife, Inc. (NYSE: MET) announced it has made Fortune magazine's 2022 list of the "World's Most Admired Companies." Eight life insurers made it into Fortune magazine's annual list of the best-regarded companies.

Forbes and Korn Ferry survey the corporate leaders, directors, and analysts of nine industries to determine the companies with the strongest reputations - from investment value and quality of management to social responsibility and the ability to attract top talent.

MetLife President and CEO Michel Khalaf said he is pleased to be named among the most admired companies in the industry. "We are proud of our people for living our purpose, making a positive impact on our communities, and delivering for our customers. This recognition belongs to them."

In addition to insurance, annuities, employee benefits, and asset management, MetLife is one of the world's leading financial services companies, providing insurance, annuities, employee benefits, and asset management to help individuals and institutions build more confident futures for themselves. MetLife has been in existence since 1868 and operates in more than 40 markets around the world, holding leading positions in the United States, Japan, Latin America, Asia, Europe, and the Middle East. The website for MetLife can be found at [www.metlife.com](http://www.metlife.com).

## **Enhancing the sustainability of our packaging**

As part of Johnson & Johnson Consumer Health, we strive to promote total health - both for individual consumers at every stage of their lives and for their communities around the world. To live their healthiest lives possible, people need healthy homes they can call home.

## **Entergy Named Among Best Places to Work for Equality**

Our company has been recognized for its commitment to diversity and inclusion by earning a 90% rating on the 2022 Corporate Equality Index published by the Human Rights Campaign Foundation for the second year in a row. This puts us among the top energy and utility companies based on the survey.

Kathryn Collins, senior vice president, and chief human resources officer said that Entergy takes pride in maintaining a truly inclusive workplace. Human Rights Campaign Foundation Corporate Equality Index, which measures public support of the LGBTQ community, has recognized our work on diversity and inclusion. We are honored by their recognition."

Specifically, the 2022 Corporate Equality Index provides employers with rankings based on the following characteristics: workplace protection, benefits for everyone, supporting an inclusive culture, as well as corporate social responsibility, and responsible citizenship.

Julie Harbert, senior vice president, corporate business services, and executive sponsor of Pride employee resource group, says the company remains committed to fostering an authentic, inclusive workplace for our LGBTQ employees and their allies.

More than 3 million Human Rights Campaign Foundation members and supporters benefit from the work of the HRC Foundation to promote LGBTQ equality and greater understanding and inclusion. To learn more, check out the HRC Foundation's Corporate Equality Index Report 2022.

## **Greenhouse at Marana composting**

It is not possible to create or destroy matter. Consequently, we must repurpose everything we touch. At the Marana Greenhouse, we make used compost from any organic matter we handle. Bayer is a global company with core competencies in the health care and nutrition fields.
