

Henry Todd, MD, a Cardiothoracic Surgeon with TriStar Cardiovascular Surgery

Get to know Cardiothoracic Surgeon Dr. Henry Todd, who serves patients in Nashville, Tennessee.

New York City, New York Feb 10, 2022 ([Issuewire.com](https://www.issuewire.com)) - A highly trained cardiothoracic surgeon, Dr. Todd is affiliated with TriStar Cardiovascular Surgery, seeing patients at TriStar Centennial Medical Center in Nashville, Tennessee. He specializes in adult cardiac surgery aortic pathology, arch and valve sparing procedures TAVR, CoreValve, and Sapien multi-arterial revascularization, minimally invasive

mitral surgery, and enhanced recovery after cardiac surgery TEVAR.

At TriStar Cardiovascular Surgery, their specialized cardiothoracic surgeons provide exceptional services for both heart patients and their families. From the first consultation through postoperative follow-up care, their team is committed to providing excellent care and keeping their patients and their families well informed and on the path to optimal recovery. Their surgeons continue to lead the nation in developing minimally invasive cardiac surgical techniques, allowing patients to experience quicker recoveries.

Obtaining his undergraduate degree from the University of the South, Dr. Todd earned his medical degree from the University of Tennessee Health Sciences Center. He then went on to complete his internship and residency in general surgery at the University of Kentucky, and his fellowship in cardiothoracic surgery at the Vanderbilt University Medical Center.

As a testament to his continued education, the doctor is board-certified in thoracic and cardiac surgery by the American Board of Thoracic Surgery, which is an American surgical organization devoted to surgery of the chest.

To boot, he is board-certified in general surgery by the American Board of Surgery (ABS). The ABS is an independent, non-profit organization located in Philadelphia, Pennsylvania, founded for the purpose of certifying surgeons who have met a defined standard of education, training, and knowledge.

Cardiothoracic surgery is the field of medicine involved in the surgical treatment of organs inside the thorax. Cardiothoracic surgeons are medical doctors who specialize in surgical procedures inside the thorax, which may involve the heart, lungs, esophagus, and other organs in the chest. Alongside performing surgery, they also diagnose and treat diseases of these organs.
