

Idea Factory Season 7 - A Quest for Young Engineers to Win Rs. 1,50,000

Jaipur, Rajasthan Feb 7, 2022 ([IssueWire.com](https://www.issuewire.com)) - Idea Factory - A Quest for Young Engineers to bring out the ideas and innovation is back with Season 7 which will focus on driving the mindset of young innovators towards out-of-the-box ideas and innovations. Presented by NEI, it infuses the spirit of discovering young innovations in the country by offering them a platform to showcase their talents.

Idea Factory Season 7

The Idea Factory Season 7 will witness a series of challenging events such as Online Quiz, Idea Pitching, Synopsis Evaluation, and Mentorship. It will cover a complete journey to bring the best out of young innovators and offer them exciting rewards.

Guidelines for the Contest

There are various guidelines that need to be followed by every participant:

- Only Engineering College students are allowed to participate from any stream approved by

UGC/AICTE.

- The participants from a similar college cannot be part of more than one team.
- No individual participation is allowed, teams can have participation from 2-4 members in a team.
- Students/Participants from different streams can also be at the same time.
- There can be an infinite no. of teams from a single institute.
- Teams will get two opportunities to clear the quiz round.
- For the idea, submission keeps your synopsis to 2 - 10 pages in a PDF/Doc format.
- PPT should be of max 15 slides which students need to carry in Pen Drive.
- The proposal needs to be submitted 5 days before the grand finale in a soft copy.
- All the electronic devices like laptops, power pugs will be provided but students need to bring their own devices for coding/model demo.
