Navi Mumbai, Maharashtra Feb 20, 2022 (Issuewire.com) - 7eventzz is an Online event management website that offers a wide range of products and services and Available in 200+ Cities across India. Helping our clients create happy recollections of significant occasions in their life has been an inspiration to move forward. The company is barely over a year old but has an incredible internet presence and is known for its work and innovations

Our Services

We Provide Exquisite Candlelight Dinners, Romantic Lunch Dates, Premium/Luxurious Stays, [Balloon decoration](#) , and much more in leading cities of India such as Delhi/NCR, Mumbai, Bangalore, Hyderabad, Kolkata, Jaipur, and Ahmedabad. If needed, we may also include guitarists/violinists, cakes, flowers, magicians, cartoon characters, game coordinators, tattoo artists, and photographers, among other things.

Our Vision

Our vision is to reach every small city in India and create a portal that is accessible by everyone.

Our core values have always kept our consumers loyal to us: we give affordable services to our clients in order to achieve the goals we have set for ourselves. We feel that being customer-centrist has a high value since it provides enormous satisfaction. The two things that have kept us running are relatability and transparency, and we will ensure that they continue to do so.

Our Journey

It's been a year, and our road has been full of ups and downs, but it's made us even more motivated to reach our goals. This has been a pleasant experience that has helped us realise how much we appreciate our consumers. We have gained over 5000 clients, launched over 200 packages, created over 100 collaborations, and covered over 12 cities. We've been concentrating on accumulating a variety of creative services and maintaining our collaboration open to other companies in order to meet the demands of our clients to the fullest extent possible.
