

Isabella Wang, DMD, FICOI, FAAOSH, a Dentist with Deerwater Dental Wellness

Get to know Dentist Dr. Isabella Wang, who serves patients in Vancouver, British Columbia, Canada.

New York City, New York Feb 11, 2022 ([IssueWire.com](https://www.issuewire.com)) - An exceptional dentist, Dr. Wang is the Director of Care at Deerwater Dental Wellness in Vancouver, British Columbia, Canada. Since 1996, when she left her hometown in Quebec to start her career and open Pacifica Dental Centre - now renamed Deerwater Dental Wellness - she has become one of the leading dentists in Vancouver by taking an advanced multidisciplinary approach to oral health care. She specializes in chronic pain, sleep, airway, and restoring function, comfort, beautiful smiles, and harmony in the body.

In addition, the doctor hones her skills in different disciplines in dentistry from general dentistry, periodontics, endodontics, orthodontics, advanced regenerative surgery of the gum and bone (soft and hard tissue), and implantology. She takes a step-by-step personalized approach to attain the patient's overall oral health goal through the comfort of conscious oral sedation if the patient so chooses.

Academically, Dr. Wang obtained her Doctor of Medicine in Dentistry (DMD) in 1996 at the University of Laval. She continued her education by pursuing numerous post-doctorate continuing education courses, seminars, and residency programs. She completed a course in advanced implant surgery and her Master of Science degree in Oral Implantology at the Pacific Implant Institute.

Furthermore, she has completed training in Platelet Rich Plasma processing, activation, and application with the late Dr. Ashley Smith, TM Dysfunction and Craniofacial Pain and Sleep Disorder Breathing at the TMJ & Sleep Education and Research Centre, Low-Friction, Low-Force Orthodontics at the International Dental Institute, and more.

Achieving fellowship status, she is a Fellow of the International Congress of Oral Implantologists (FICOI), and a Fellow of the American Academy for Oral Systemic Health (FAAOSH).

In good standing with a number of professional organizations, Dr. Wang is an active member of the Canadian Dental Association, the Canadian Society of Oral Implantology, the International Congress of Oral Implantologists, the American Orthodontic Society, the International Association of Orthodontics, and the Academy of General Dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
