

Jennifer Barber Joins InSync Media as Creative Director

InSync Media Hires Top Talent for Creative Director

Montrose, Colorado Feb 18, 2022 ([Issuewire.com](https://www.issuewire.com)) - [InSync Media](#) hired Jennifer Neto as Creative Director. Neto will be responsible for the success of the website, design, and branding departments filling a vital role in a rapidly expanding marketing agency.

Neto brings with her vast experience as a Digital Marketing Strategist, Account Director, and Office Manager for multiple international companies. She will bring her skills in KPI Data Management to fill gaps in process and customer retention to help InSync Media deliver incredible results for clients in Colorado and worldwide.

“We had hit a point where it became clear that running the agency would require another person—someone with an open mind and experience in creative marketing strategies. After meeting Jenn, I knew it had to be her!” stated Chief Executive Officer Laura Williams.

As a marketing agency, InSync Media’s aim is to make a real and sustainable difference in their clients’ lives by building marketing systems that deliver consistent leads. They specialize in [SEO](#), [Website](#)

[Design](#), Social Media, and Digital Advertising.
