Get to know Obstetrician-Gynecologist Dr. Joann Sansone, who serves patients in East Norriton, Pennsylvania.

New York City, New York Feb 16, 2022 ([Issuewire.com](https://www.issuewire.com)) - An excellent obstetrician-gynecologist,

Dr. Sansone established East Norriton Women's Healthcare PC in 1997 alongside Dr. Dominick M. Giuffrida. She specializes in the repair of pelvic floor disorders, menopausal management, management of abnormal pap smears, polycystic ovarian disease, low and high-risk pregnancies, uterine fibroids, abnormal bleeding, osteoporosis, endometriosis, and precancerous and cancerous conditions of the uterus, ovaries, and cervix.

The mission of East Norriton Women's Healthcare PC is to provide exceptional women's health care in a personalized, friendly, and warm environment. They recognize that every individual is unique and they strive for excellent personalized care. They will accomplish this with the most up-to-date modern advances in medicine.

Academically, Dr. Sansone graduated with her Doctor of Osteopathic Medicine degree from the Philadelphia College of Osteopathic Medicine in 1985. She completed her internship and residency at the Osteopathic Medical Center and Episcopal Hospital.

In pursuit of clinical excellence, the doctor is board-certified in obstetrics and gynecology by the American Osteopathic Board of Obstetrics and Gynecology, which is an organization that provides board certification to qualified Doctors of Osteopathic Medicine (D.O.) who specialize in the care of the female reproductive tract and children during the course of pregnancy, childbirth, and the postnatal period (obstetricians) and to qualified Doctors of Osteopathic Medicine who specialize in the diagnosis and treatment of diseases of the female reproductive tract (gynecologists).

Prior to establishing her private practice, she served as Director of Gynecologic Robotic Surgery and Chairman of the Department for Obstetrics and Gynecology at Mercy Suburban Hospital.

Obstetrics and gynecology (OB-GYN) is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts).
