- Is NowCalls24 registration free of cost?

Answer- Creating your profile at **NowCalls24** is Absolutely **free of cost** and we don't take any fees

even after you get the job. Yes, the only thing we take as fees, are the recommendations that allow us to provide many more individuals like you with their Dream Jobs.

- How do I list my shop on a B2B marketplace?

Answer- Business Listings are easier than ever before with **Nowcalls24** where you can register your business in a few easy steps and complete your profile by adding your business details and the best part so far is that it's all free of cost. Once, you complete your profile, We will forward you business leads to help you grow, and if your ambition exceeds others, you can enroll in our premium membership where we not only forward more and bigger leads to you first but also advertise you as our special client.
