

Meet The InvoZone Team At Leap 2022, KSA

Ar-Riyad, Saudi Arabia Feb 1, 2022 ([Issuewire.com](https://www.issuewire.com)) - InvoZone, the fastest-growing web, and mobile app development company, will be attending the upcoming LEAP 2022 event from 1st to 3rd February 2022. The event is one of the biggest technology events happening in the Kingdom of Saudi Arabia. It will see a number of industry-leading companies from around the world showcasing their latest products and innovations as well as sharing knowledge with other innovators.

The event is designed with professionals from all over the world who are interested in technology and innovation to share their knowledge with each other. Attendees are able to learn about new technologies that they may not have heard about before as well as network with potential business partners or customers. With more than 700+ exhibitors, 400+ speakers, 6+ conferences, and 10 tracks – there will be plenty of opportunities to learn something new at this event!

Meet our team at this grandeur event to witness our cutting-edge services solutions in the field of web and app development. We will be present at **H4 E10F Booth 21**.
