

Mint Free NFT Tickets for Any Event with Flashback.ONE.

The advertisement features a vibrant pink and purple background. At the top left, the text "Create Free NFT Tickets for your Event" is written in a bold, white, sans-serif font. To the right, the FlashBack ONE logo is displayed, consisting of a stylized white 'B' inside a red circle, followed by the text "FlashBack" in white and "ONE" in red. Below the text, there are five NFT ticket images arranged in a grid. The central ticket is the largest and shows a woman in a red dress singing into a microphone, with a DJ in a blue shirt behind her. The ticket text reads "AGITA", "BRUSSELS, BELGIUM", and "01/09/21". To the left of the central ticket are two smaller tickets: the top one shows a woman in a red dress singing, and the bottom one shows a woman in a blue dress. To the right of the central ticket are two smaller tickets: the top one shows a woman in a blue dress, and the bottom one shows a woman in a red dress. The bottom right ticket has the text "DITZINGEN, GERMANY" and "31/08/21". Small white starburst icons are scattered around the tickets.

New York City, New York Feb 14, 2022 ([Issuewire.com](https://www.issuewire.com)) - [FlashBack.One](https://www.flashback.one) is the first NFT ticketing platform that enables people to collect and share their digital memories through a social media interface. In just a few simple steps, anyone can create an event with extraordinary NFT tickets for free for limited time only.

From music festivals and professional event tickets to birthday party and wedding invites, FlashBack.One is here for all types of event organizers. The platform is designed for the mass market and therefore offers a very easy-to-use interface allowing all levels of users to enjoy the benefits without needing a detailed background in technology or crypto.

FlashBack.One social media interface allows you to follow your friends, and favourite event organizers to be updated with all upcoming events. It's also possible to get an early influencer status by creating new events and building up your communities.

FlashBack.One is a leading NFT ticketing platform eliminating fraud and forgery in the ticketing industry while adding personal and monetary value to digital tickets. FlashBack.One's blockchain solutions give people an opportunity to collect memories from spectacular social occasions and important events.

FlashBack.ONE started with its first beta in October and has already formed collaborations with GoPro, Braun, Marshall, Blockchain Summit Latam, WOW Summit Dubai, Supermoon Camp, BeInCrypto, and other big brands. Backed by Avalanche Blockchain, TechMeetsTrader VC fund, and DAO ROI, FlashBack is actively expanding in New York City and onboarding local galleries and event organizers.

This month FlashBack.One is partnering with Pine.Events; a solution renownedly known for event experiences that currently work with 65,000+ companies including Coca-Cola, Disney, Netflix, Apple, BMW, Google, Red Bull, Nestle, etc.

About the investors:

TechMeetTraders Investments helps emerging companies extract value from promising, yet volatile markets.

DAO ROI is a unique investment fund founded by active crypto enthusiasts to develop the world of WEB 3.0 and support talented people to create disruptive technologies.

Visit flashback.one now to kick off your NFT ticketing experience, simply create a profile and start with your first events NFT tickets for free.
