New Hyde Park, New York Feb 20, 2022 ([IssueWire.com](https://www.issuewire.com)) - If left unattended, mold can spread quickly and wreak havoc on your home. It can damage the structural integrity of your home or business and even cause health-related issues, especially if any of the occupants are allergic.

If you notice mold in your home or business, you need to act fast by hiring mold removal and remediation services. UCM Carpet Cleaning New Hyde Park is a mold remediation company that offers [mold remediation services to the locals in New Hyde Park](#).

Services We Offer:

Here is what you can expect from UCM Carpet Cleaning New Hyde Park.

Mold Inspection and Testing

Before the remediation process begins, UCM Carpet Cleaning New Hyde Park takes the time first to conduct an inspection and assess the mold damage. If you give them a call, the experienced and high-trained technicians will quickly arrive on-site to determine the extent of the damage.

The inspection and damage assessment is done using professional-grade equipment and beyond the surface. They determine where the mold problem began to prevent further spread to other areas. The crews are also trained to evaluate the moisture and humidity levels of the property before deciding whether water damage restoration will be necessary.

Mold Remediation

After inspecting your property for mold damage, the mold remediation process will begin. This process involves remedying the moisture issue and removing the mold using professional filtration equipment, HEPA Vacuums, and antifungal treatments.

They use effective cleaning methods to thoroughly clean and sanitize the affected areas and remove any affected material. The specialists use the right products and techniques suited for the mold at hand.

Depending on the amount of mold growth, they will do the necessary repairs and reconstructions on various parts of your property. Their main goal is to restore your property to its original state.

Why Hire UCM Carpet Cleaning New Hyde Park?

The UCM Carpet Cleaning New Hyde Park team of professionals goes beyond eliminating discoloration on the affected areas. Here is why you should choose them.

Highly Trained, Licensed, and Experienced Technicians

This remediation company boasts a team of highly trained professionals that guarantee meeting and exceeding your expectations. They work with technicians that have been accredited by the Institute of Inspection Cleaning and Restoration Certification (IICR) to ensure 100% customer satisfaction. The specialists are also licensed and experienced to provide mold remediation services for clients in New Hyde Park.

State-of-the-Art Equipment

Even if you use mold removal spray and other cleaners, there is a high chance that you will still deal with the mold issue. When the technicians come into your home, you can say goodbye to mold. They utilize modern, profession-grade equipment, including antimicrobial chemicals, dehumidifiers, and more, to safely clean up and restore your home.
