Moriel Sparks 2022 Release's

Los Angeles, California Apr 30, 2022 ([IssueWire.com](https://www.issuewire.com)) - Moriel Sparks is looking to start the New Year on the grandest note possible as he announces plans to release new music 2022 nearing a close, Moriel Sparks aims to usher in 2022 with good vibes from his unique sounds and is eager to show his fans and music lovers around the world what he has been working on. Moriel has matured his new song with his debut single with the help of Jahz Watts, Puga, Alex J, FDG, Sabrina Chang, and Nataley Santacruz.

The music industry remains a fundamental part of the entertainment market, valued at several billions of dollars. Over the years, the music scene has witnessed a series of evolution due to the emergence of several artists and the contributions of different stakeholders in the industry, with the primary goal of keeping the audience entertained. However, in recent times the music industry has seen a drop in quality, both lyrically and fundamentally. Moriel Sparks has no intention to toe the line.
