

MSSIAH - The Next Wave Of UK Rap

NEW RELEASE

DISTROKID

NOW AVAILABLE

Manchester, United Kingdom Feb 21, 2022 ([IssueWire.com](https://www.issuewire.com)) - MSSIAH is a 25-year-old rapper/singer from just south of Manchester; he is a prime example of versatility, from strong vocal hooks to in-depth wordplay and rhyme schemes he always manages to create catchy, lyric dense bangers on any style of beat.

Having found great success in his widely versatile styles of music MSSIAH has been featured on the UK's hottest channels, from GRMDaily to LinkUpTv & JDZ Media and he has managed to gain a wealth of new listeners who are very hard-core fans.

Having only been officially releasing music for 2 years MSSIAH has managed to attain over 100,000 views on YouTube, over 100,000 streams on Spotify, and 6100 TikTok followers with over 21,000 likes on his content.

MSSIAH plans to work hard in early 2022 to bring a number of his upcoming projects to life, having released 3 EP's and over 40 singles his next album "Heartache & Dreams Of Murder" was released this month, it's already a huge hit with his existing audience and is rapidly attracting new fans worldwide.

Having built his audience entirely on his own, MSSIAH has a very good understanding of marketing techniques, hot trends, and topics and isn't afraid to try new sounds and genres when constructing his masterpieces - he aims to one day be a household name in the UK music scene.

Previously MSSIAH worked as a stockbroker in Barcelona and a real estate agent in the UK, he currently funds his music career with a 9-5 in the care sector as a sales manager. Working over 50 hours a week MSSIAH still finds time to create his art and managed to write, record, and release an EP within 14 days from his home studio carefully mixed and engineered by his producer KINGEF over in Canada.
