

Nataliya Dashevsky, MD, an Internist with Doctors in Princeton

Get to know Internist Dr. Nataliya Dashevsky, who serves patients in Princeton, New Jersey.

New York City, New York Feb 14, 2022 ([Issuewire.com](https://www.Issuewire.com)) - A devoted internist, Dr. Dashevsky is affiliated with Doctors in Princeton, a medical facility that serves the residents of Princeton, New Jersey, and many nearby communities. All of their doctors are members of the medical staff of Penn Medicine Princeton Health. There are four primary care physicians on staff who are dedicated to offering the best health care possible to their patients. Each doctor has their own specialties and all work together to offer

their patients individualized health care plans. The doctors speak a variety of languages and work with each patient on an individual basis to provide the highest quality of health care possible.

A native of Russia, she earned her medical degree at the Moscow State University of Medicine and Dentistry in 1988. After relocating to the United States, She completed her residency in internal medicine at the Brooklyn Hospital Center in 1992. She also completed advanced training in mesotherapy at the Mesotherapy Institute in Paris, France.

As a testament to her success, the doctor has been recognized as a Diplomate of the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Teaching students, Dr. Dashevsky is an Assistant Clinical Professor of Medicine at the Robert Wood Johnson Medical School and UMDNJ Medical School.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

Among her most notable achievements, Dr. Dashevsky has been the recipient of the Special Recognition Award for High-Quality Care by Blue Cross Blue Shield, Recognition for High-Quality Care and Best Practice Standards by Princeton PO, Patients' Choice Award (2015), and Compassionate Doctor Recognition (2015).

On a more personal note, she is fluent in both English and Russian.
